SEAL-GUARD TILE CARE

Seal-Guard Gold Label Impregnator - Fast-Drying

Superior protection. Natural finish. Available in a 1 litre container. Helps provide durable, long-lasting protection of the treated surface against both oil and water-based stains while retaining the natural look of the substrate. Will not yellow, peel, whiten or flake off the treated surfaces. Suitable for all types of unglazed tile and masonry surfaces, including (damp/wet or dry) grout lines, quarry tile sandstone, terracotta, limestone, stucco, architectural concrete, precast stone, brick, porcelain, marble and granite.

Size	Pack Quantity	Product Code	Barcode
1lt	6	SEAL002	9331970001212

Seal-Guard Tiler's Choice Impregnator for Porcelain and Stone

Slower-drying. Easy to apply. Available in a 1 litre containers. This slower drying impregnator has been specifically formulated to seal porcelain, granite and marble. Provides durable and invisible stain resistant protection and is suitable for both indoor and outdoor use. Works equally well in preventing oil and water-based stains on all types of unglazed tile and masonry surfaces, including sandstone, limestone, terracotta and concrete.
